BACKGROUND AND LEGISLATION

BACKGROUND

The Best Start, Best Life reform will help all Victorian children dream even bigger through increased access to quality early childhood education and care. A critical part of the reform is Free Kinder, which will support access to two years of high-quality kindergarten programs for all Victorian children. All families with a child enrolled in a funded kindergarten program are eligible for Free Kinder this includes both 3 and 4-year-old kindergarten programs.

Free Kinder supports families to access a funded kindergarten program by:

- providing a free 15-hour program to four-year-old children enrolled at a sessional service
- providing a free 5-to-15-hour program to three-year-old children enrolled at a sessional service (subject to the length of funded program offered)
- offsetting the funded kindergarten program component of parent fees for three and four-year-old children enrolled at a long day care service

Free kinder supports every Victorian child to get the best start in life no matter where they live. Research shows that play-based learning is a powerful way to support children's learning and development. Two years of early learning is a crucial part of their educational journey, these benefits last into the school years and beyond.

Regulation 168(2) (n) of the Education and Care Services National Regulations 2011 requires that funded services have a comprehensive written fees policy, and the content of this policy must be communicated to families. Any voluntary parent donations and/or fundraising must comply with the Free Kinder subsidy guidelines and be responsive to the local community.

LEGISLATION AND STANDARDS

Relevant legislation and standards include but are not limited to:

- Charter of Human Rights and Responsibilities 2006 (Vic)
- Child Wellbeing and Safety Act 2005 (Vic)
- Disability Discrimination Act 1992 (Cth)
- Education and Care Services National Law Act 2010
- Education and Care Services National Regulations 2011: Regulation 168(2)(n)
- Equal Opportunity Act 1995 (Vic)
- National Quality Standard

DEFINITIONS

The terms defined in this section relate specifically to this policy. For regularly used terms e.g. Approved provider, Nominated supervisor, Notifiable complaints, Serious incidents, Duty of care, etc. refer to the Definitions file of the PolicyWorks catalogue.

Additional Hours/Wrap around care: care that is provided by a kindergarten service to kindergarten children outside of the 15 hours per week program. Wrap around care fees are not funded by the Victorian Government but may be covered by CCS (*refer to Definitions*).

Approved child care: Approved child care services are services that have Australian Government approval to receive the Child Care Subsidy (*refer to Definitions*) on behalf of eligible parents. Approved child care includes centre-based day care, including long day care and occasional care, family day care, outside school hours care and in-home care.

Child care subsidy (CCS) if applicable: A Commonwealth Government means tested subsidy to assist eligible families with the cost of child care. Payments are paid directly to approved child care providers. Further information can be found at: www.education.gov.au/child-care-subsidy

Early Start Kindergarten (ESK): A funding program that provides eligible children 15 hours of free or low cost kindergarten program each week for two years before starting school. To be eligible a child must be 3 by 30 April in the year they start kindergarten and be from a refugee or asylum seeker background, or identify as Aboriginal or Torres Strait Islander, or the family has had contact with child protection. Details are available at: www.vic.gov.au/early-start-kindergarten If a child is eligible for ESK, they should be enrolled in ESK, even where Free Kinder and/or 15 hours per week of funded three-year old kindergarten is offered. This ensures eligible children have priority access to 15 hours of funded kindergarten provided by an early childhood teacher and that service providers receive additional funding and support. ESK enrolments contribute to School Readiness Funding (SRF) calculations for service providers. It also allows the Department to continue to monitor efforts to engage the most vulnerable children in kindergarten across Victoria and provide additional targeted support where required through SRF or Early Childhood LOOKOUT.

Waitlist fee: A fee for when families register their child directly with a service (not part of the council's central registration and enrolment scheme). This fee will not be refunded as it is not part of the Free Kinder subsidy, and not related to the fee charged for delivery of the kindergarten program. A service may charge for one-off excursions/incursions, and registration fees (sometimes called waitlist fees). Waitlist fees are returned to families once they have accepted a kindergarten place.

Excursion/service event charge: An additional charge required to meet the cost of special events or excursions that occur in response to emerging children's program needs. Events that are planned ahead and are included as an expenditure item in the service's budget do not incur this additional charge (*refer to Excursions and Service Events Policy*)

Fees: A charge for program hours over and above the 15 funded hours per week (600 per year) and/or wrap around care.

Free Kinder: A Victorian Government Best Start, Best Life initiative providing Free Kinder programs for four-year-old and three-year-old children in funded services, that have opted into the initiative.

Free Kinder supports families to access a funded kindergarten program by:

- providing a free 15-hour program to 4-year-old children enrolled at a sessional service
- providing a free 5 to 15-hour program to 3-year old children enrolled at a sessional service (subject to the length of funded program offered)
- offsetting the funded kindergarten program component of parent fees for 3 and 4-year-old children enrolled at a long day care service.

Funded Kindergarten: For services that have not opted for Free Kinder, the Victorian Government provides funding to support children to access a high-quality kindergarten program in the two years before they start school. The funding is a contribution towards meeting the cost of the kindergarten program. Funded kindergartens charge fees to help meet the cost of running kindergarten programs. Fees are set by individual kindergartens

and depend on things like how many hours children attend and whether there are extra costs such as excursions.

Enrolment deposit: A charge to secure a place that has been offered in a program at the service. This should not act as a barrier to enrolling for any families. Services must ensure that families understand that the enrolment deposits will only be refunded if the child commences in the service.

Pre-Prep: From 2026, between 16 and 25 hours of Pre-Prep will be available to:

- Aboriginal and Torres Strait Islander children
- children from a refugee or asylum seeker background
- children who have had contact with Child Protection
- children who were supported by Early Start Kindergarten (ESK) or Access to Early Learning (AEL) in their Three-Year-Old Kindergarten year.

Pre-Prep hours for this group of priority cohort children increase to up to 30 hours from 2028.

Voluntary parent/guardian payment/donation: A voluntary payment/donation for items not directly related to the provision of the children's program. Explicit and written agreement from a parent is required for any voluntary payments. Attendance at the service is not conditional on this payment.
